

# Bioenergia, huoltovarmuus & hiilensidonta

**FINNO EXERGY**

**18.4.2023**  
**Bio Rex**  
**Helsinki**

**Bioenergia, huoltovarmuus & hiilensidonta** (Bioenergy, Energy Security & Carbon Removal) –seminar gathers together the main stakeholders and the leading experts in the field. The seminar takes place on 18.4.2023 in Bio Rex –event space in the center of Helsinki.

The program of the event consists of the overview of the recent parliamentary election results, the political operating environment of the bioenergy sector, the current status and prospects of peat and energy wood and the development of carbon capture and storage & usage in Europe and in Finland.

It is expected that the seminar will be attended by 140 representatives from Finland.

The Bioenergy Association of Finland organizes the seminar in cooperation with Finno Exergy.

# Partnership

We offer the possibility for organizations to become event partners as exhibitors or event sponsors. The partnerships are limited.
